## Pathways General Education Requirements

Students are responsible for completing the Pathways General Education requirements that are in effect when they enter the university. The university requires students to complete course work from all seven areas of the Curriculum for Pathways General Education.

## GPA Requirements

Students must maintain a 2.0 GPA. In-major GPA requires a grade of C- or better to successfully complete an ART course. In-major GPA is calculated on all ART courses.

## Satisfactory Progress Toward Degree

The University requires every department to establish benchmarks by which their majors can demonstrate that they are making satisfactory progress toward a degree. In addition to the University requirement for satisfactory progress (See Satisfactory Progress in Academics chapter of Undergraduate Catalogue), in the case of the Graphic Design major, these benchmarks are:

1. Students must maintain a C- or better in required Foundations courses (ART 1204 Principles of 2D Art and Design, ART 1404 Principles of Drawing, ART 1604 Principles of 4D Art & Design, ART 1214 Principles of 3D Art and Design).
2. Upon having attempted 72 semester hours (including transfer, AP, advanced standing and credit by exam) an Art student must have completed at least 6 credits towards this major with a 2.0 overall GPA and have a minimum 2.0 in-major GPA.
3. Students must successfully complete their BFA exhibition (ART 4894 Senior Studio).

## Prerequisites

This check sheet contains elective courses that may have prerequisites not listed on this checksheet. Please see your advisor or consult the Undergraduate Course Catalog for more information.

## Foreign Language Requirement

Students who do not successfully complete at least two units of a single foreign language, classical language or American Sign Language during high school must successfully complete six semester hours of a single college level foreign language or classical language at the college level. These semester hours are in addition to those normally required for graduation. Please see the course catalog for details.
