Graduation Requirements

NOTES FOR THE MINOR IN FORESTRY

1. A minimum G.P.A. of 2.0 in these courses is required to complete the minor.
2. All courses must be taken for A–F grade unless only offered P/F.

STEPS FOR COMPLETING THE MINOR IN FORESTRY

1. Complete the form to declare a minor in the College of Natural Resources and Environment Advising Center.
2. If you have questions about the checksheet, ask the Advising Center to put you in contact with the departmental advisor or a faculty member in forestry.
3. When you request or update your DARS, be sure to include the minor so that it will check your progress on both your major and minor.
4. Once you have enrolled in the minor, you cannot graduate until you either (i) satisfy the credit requirements for the minor, or (ii) withdraw from the minor by notifying the Advising Center of the College of Natural Resources and Environment (138 Cheatham Hall) and revising your DARS.
