Hours Requirement: A minimum of eighteen (18) credit hours is required to graduate with a minor in Global Development and Political Economy.

Minor GPA: GPA of 2.0 is required for the minor. All courses used to fulfill the requirements of the minor will be used to determine the minor GPA.

Maximum number of credit hours: For the following courses the maximum number of credits that can be awarded are as follows: 3954 Study Abroad (12); IS 4754 Internship (9); 4964 Field Work/Practicum (6); IS 4994 Undergraduate Research (9).

Course content: To count for the Minor in Global Development and Political Economy, the location or the content/topic of the following courses should be international in character: IS 4754

Internship and IS 4994 Undergraduate Research. These courses will be evaluated and approved by the International Studies Program advisor.

Experiential learning courses: Other courses with an experiential learning component could be considered for elective credit. Consult a Global Development and Political Economy Minor advisor for more information.

Political Science Major Restriction: Coursework for the Global Development and Political Economy minor cannot double count toward a major in Political Science (any option).
