Graduation Requirements

NOTES FOR THE MINOR IN URBAN AND COMMUNITY FORESTRY

This Minor requires completion of a minimum of 19 credit hours.

1. A minimum of 6 credit hours must be completed at the 3000 or 4000 academic level.
2. A minimum GPA of 2.0 in courses comprising the minor is required to complete the minor.
3. All courses must be taken for A-F grade unless only offered P/F.
4. Some listed courses have prerequisites or restrictions. These prerequisites and restrictions are determined by the department offering a course and may change without notice. Therefore, we recommend you consult the University Course Catalog and your advisor when planning classes.

COMPLETING THE MINOR IN URBAN AND COMMUNITY FORESTRY

1. Sign up for the minor in the Advising Center of the College of Natural Resources and Environment (138 Cheatham Hall).
2. If you have questions about the checklist, ask the Advising Center to put you in contact with a faculty member in urban and community forestry.
3. When you request or update your DARS, be sure to include the minor so that it will check your progress on both your major and minor.
4. Once you have enrolled in the minor, you cannot graduate until you either (i) satisfy the credit requirements for the minor, or (ii) withdraw from the minor by notifying the Advising Center of the College of Natural Resources and Environment (138 Cheatham Hall) and revising your DARS.

¹ Course has prerequisites or restrictions. Check course catalog or timetable for further information.

² If FREC 2314 Forest Biology and Dendrology or FREC 2324 Dendrology Laboratory taken in **Required Minor Courses**, choose 9 credits; otherwise, choose 6 credits.
